Electrified Locksets

# SELECTRIC™ MOD 7800 Series Locksets

Distributor Discount Code **LSK**

Send the brand lockset of your choice to SDC for electrification. When factory authorized, distributors may take advantage of SDC's mechanical lock inventory to expedite orders. **SDC stocks Schlage, Corbin Russwin, Yale, Best and Sargent mechanical locks that may be electrified and charged to an order. Meanwhile, distributors may then send replacement mechanical locks to SDC for credit and SDC inventory replenishment.**

### FEATURES SCHLAGE S AND ZS ONLY

- Field selectable failsafe/failsecure
- Field selectable voltage, 12/24VDC
- Field selectable function and handing without removing cover

### FEATURES ALL OTHER BRANDS

- Field selectable voltage, 12/24VDC
- Field selectable function and handing based on brand capability

## SPECIFY BRAND MODEL LIST

Distributors supply SDC with the mortise lock body and armored front (less trim) for modification. SDC returns the modified lock body. Upon installation, two lever return spring cages (supplied by distributor) are required for proper operation.
