Simple IP-Based Access Control

Integrate door openings easily into fully featured EAC systems without being an enterprise IT expert. SDC's IPPro® IPD series IP-based single door controller is an ideal and economical solution for 1-8 door applications compared to enterprise systems.

- UL294, 5 year warranty
- Manage up to 32 doors from any PC and standard web browser
- Control up to 100 doors on one PC with free software
- Connects to network using ethernet cables
